

### See nothing, hear everything

RD stands for Reduced Depth – so this speaker will fit into tighter spaces than the standard CCM663. A shallower cone and a redesign of the easy-fit QuickDogs™ frame reduce depth to a more usable 92mm, while retaining everything that makes the CCM663 such a great in-ceiling speaker.

The familiar, yet discreet, dark blue Kevlar® cone of the bass/midrange driver delivers a stunningly clean, detailed response. This, combined with the pivoting aluminium dome tweeter for adjustable off-axis treble response and three-position EQ, make this one of the most versatile custom speakers around.

If preferred, the supplied round grille can be replaced with an optional, square CCM663 grille.

### Technical Specifications

<b>Description</b>	2-way in-ceiling system
<b>Drive Units</b>	1x Ø25mm (1 in) Nautilus™ swirl loaded aluminium dome tweeter 1x Ø150mm (6 in) blue Kevlar® cone bass/midrange
<b>Frequency range (-6dB)</b>	35Hz – 50kHz
<b>Recommended Amplifier Power</b>	25W – 100W
<b>Sensitivity</b>	86dB (2.83V, 1m)
<b>Nominal Impedance</b>	8Ω (4.8Ω minimum)
<b>Frame</b>	Ø240mm (9.4 in)
<b>Cut-out</b>	Ø202mm (8 in)
<b>Depth behind surface</b>	92mm (3.6 in)
<b>Protrusion</b>	7mm (0.3 in)
<b>Net weight</b>	2.3kg (5 lb)
<b>Pre-mount Kit</b>	PMK C6
<b>Back Box</b>	BB6W or BB125C
